APPSeCONNECT

Sage 300 and WooCommerce Integration

SAGE 300 AND WOOCOMMERCE INTEGRATION

Synchronization Points

Customer

- Web customers register online in WordPress WooCommerce website will be synced back to Sage 300 ERP along with customer details which include their billing and shipping addresses, contact information under customer section.

- Customer sync works bi-directionally. Existing customer details can be sync back and forth to WooCommerce.

Product

- ERP Items can be listed in WooCommerce, while existing item details defined in WooCommerce will be synced back to Sage 300 under Inventory Control Item list

- Item sync works bidirectionally between WooCommerce and Sage 300 works bidirectionally.

Inventory

- Stock Updates which happen in Sage 300 through Purchase Cycle or Inventory Adjustment Process will be synced back to WooCommerce website.

- Warehouses can be fully mapped with the WooCommerce websites. Inventory from the desired warehouse or cumulative stock from multiple warehouses can be synced to WooCommerce through configuration in APPSeCONNECT Dynamic Mapping Interface.

Order

- Web orders placed in WooCommerce will be synced to Sage 300 as a Sales Order or Order Entry.

- Taxes and Shipping Charges will be properly mapped in between eCommerce and ERP.

- Even Sales Orders by our guest customers can be synced to Sage 300 and the sales orders also can be assigned against a Default Customer for Order Processing.

Synchronization Points

Order fulfillment

- Shipments can be created in Sage 300 against every sales order which will be synced back to WooCommerce and reflects the delivery status as completed.

- Once the delivery document is created in Sage 300, payment can be synced from Sage 300 ERP to WooCommerce, and the status has been updated as Paid.

- APPSeCONNECT supports mapping of online and offline payment method both, based on the business requirements the entire process can be configured.

What our customers say...

PRANA ORGANIC

Without APPSeCONNECT, I don't think we could have grown our website to where it is now. In terms of what is out there in the market, it is the cheapest option that would deliver a reliable service.
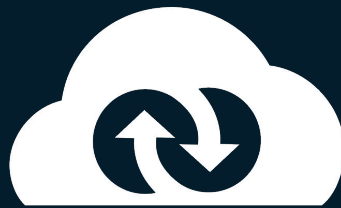

Erika Weihmayer
Prana Biovegan

LUMINOX SWISS MADE

The product is easy to work with. Throughout the process, APPSeCONNECT was very accommodating of our specific requests.
