

SAP Business One and Zoho Commerce Integration

SAP BUSINESS ONE AND ZOHOCOMMERCE INTEGRATION

Synchronization Points

Customer

- Once new customers are created in Zoho Commerce, these customer details will be synced in SAP Business One Company as Business Partner. Details that are included in their billing and shipping addresses and contact information with the email id and telephone no. will also be synced.
- Guest customer information also can be synced from sales order details. We can collect the customer information from the Sales order and create a new customer in SAP Business One.

Order

- The Zoho Commerce Sales Orders with its current status will be synced as SAP Business One Sales Orders. Items selected, Customer, tax, billing, shipping address etc. of the Sales Order will be synced in Sap Business One.
- SAP Business One Sales Order contains all the Web Order information like Web Order ID, Payment Method etc.
- The discount Field in SAP Business One contains information about any discount in Zoho Commerce.
- Also, APPSeCONNECT value mapping feature helps in calculating Proper Tax and Shipping charges.
- The Online Payment Information, along with the Sales Order, is synced to SAP Business One as Incoming Payment.

Product

- Any Item listed in your SAP Business One Company will be uploaded as Products in Zoho Commerce. Product sync works bi-directionally. Existing products with details can be sync back to SAP Business One from Zoho Commerce. One Price List in SAP Business One will be mapped as the standard price in Zoho Commerce.
- If any updates are made in the product details, those will also be reflected in the other side by running the same process

SAP BUSINESS ONE AND ZOHOCOMMERCE INTEGRATION

Synchronization Points

Inventory

- Stock Update to maintain accurate inventory levels between SAP Business One and Zoho Commerce

Shipment

- Posted Sales Shipments created in SAP Business One against Sales Orders will be synced to Zoho Commerce. The web order status.
- Shipment tracking no. can be updated in SAP Sales Shipment and it will be synced.

What our customers say...

Without APPSeCONNECT, I don't think we could have grown our website to where it is now. In terms of what is out there in the market, it is the cheapest option that would deliver a reliable service.

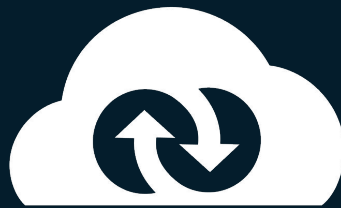

Erika Weihmayer
Prana Biovegan

The product is easy to work with. Throughout the process, APPSeCONNECT was very accommodating of our specific requests.
