Casinetto

The rapid and flexible integration offered by APPSeCONNECT, enabled Casinetto to quickly re-focus on a 100% eCommerce business and grow even during the COVID pandemic

About

Casinetto was founded in October 2009 as a one-stop solution, offering a carefully curated selection of the best quality and most authentic handpicked food products, from mid-range to gourmet. Casinetto is a local business that works and supports 500+ Italian farmers, bakers, and manufacturers while providing more than 2,000+ Italian products to customers through stainable agriculture and fresh local produce.

Project Overview

Casinetto is one of the biggest food distributors in Dubai and is well known for bringing in top-quality food. They were using SAP Business One as their back-end ERP solution for the business and Shopify as their front-end eCommerce store. However, they needed the two applications to be integrated to optimize and streamline their business operations. So they were looking for an intelligent and robust integration platform to integrate the applications.

APPS*e*CONNECT

The Challenges

- Automate integration between SAP Business One and Shopify
- An integrated system that automates the process of converting one system of measure to another.
- Complex and rigid integration process for SAP Business One.
- Rapid deployment of integration system to cope with increasing online demands.
- Manual entry of sales orders and related data.
- Custom integration solution for a growing business.

What our customers say...

Without APPSeCONNECT, I don't think we could have grown our website to where it is now. In terms of what is out there in the market, it is the cheapest option that would deliver a reliable service.

Erika Weihmayer
Prana Biovegan

The product is easy to work with. Throughout the process, APPSeCONNECT was very accommodating of our specific requests.
