

## CASE STUDIES

# Esthétique Et Électrolysis Canada

*With APPSeCONNECT Esthétique Et Electrolyse was able to seamlessly integrate SAP Business One with multiple applications and become one of the leading distributors of cosmetics in Quebec.*

### About

Esthétique Et Électrolysis Canada has been one of the largest distributors of aesthetic products and equipment since 1990 in Laval, Québec. They supply over 4500 products from over 125 different brands. The company aims to put its experience, its passion, and all its knowledge to improve beauty products for professionals in the field and to help them offer higher quality services.

### Project Overview

Esthétique Et Électrolysis Canada is a well-known distributor of aesthetic products and equipment in Laval. They use eBay and Amazon as the digital marketplaces to distribute their products and SAP Business One as their ERP. With more than one marketplace data to keep track of, they needed a robust integration platform that would provide end-to-end integration of all the platforms to remove redundant data and streamline business operations.
