Healthy Planet Canada

With APPSeCONNECT, Healthy Planet Canada was able to overcome unforeseen business situations and emerged as one the leading suppliers of vitamins and supplement in Ontario.

About

At Healthy Planet, their goal is to make a Healthier and Greener world. From the vitamins, supplements, produce, groceries & health foods they sell, to the socially responsible manufacturers & distributors they work with, Healthy Planet puts everything through its filter. Their passion is to bring the highest-quality supplements, vitamins, health foods, bath & beauty and eco friendly products at the lowest possible prices.

Project Overview

Healthy Planet is one of the leading suppliers of health vitamins and supplements in Ontario. To manage their back-end operations Healthy Planet employed SAP Business One ERP and to run their online business they used the Magento eCommerce platform. However, to attach different scopes and workflows to each component and manage their growing business needs, they were in need of a robust integration platform.
