

Kibo Commerce and SAP Business One Integration

Integration Endpoints

Kibo Commerce and SAP Business One Integration

Product

Add / Update

- Products listed in SAP Business One will be synced as Products under Catalog in Kibo Commerce. The Item WebID will be synced back to SAP Business One from Kibo Commerce.
- Since Product sync works bidirectionally, updates made to existing products with details in SAP Business One will also be synced to Kibo Commerce.
- Updates made to any product in SAP Business One (where product is already available in Kibo Commerce), the details will be synced to Kibo Commerce as well.

Inventory

- Inventory level updates in SAP Business One will be synced to Kibo Commerce, updating the item quantity in Kibo Commerce.

Integration Endpoints

Kibo Commerce and SAP Business One Integration

Sales Order

- New orders placed on the Kibo Commerce website will be synced to SAP Business One as Sales Transaction Entry under the Sales section, with all the details such as items orders, amount, shipping charges, associated tax, customer information, etc.

All the web orders will be posted in SAP Business One under a default/One-time Customer.

Order Fulfillment

- Any order fulfillment from the Order Fulfillment section under Sales in SAP Business One will be synced to Kibo Commerce with details such as tracking number, shipping method, etc.

Transform the way you work and improve business efficiency!

APPSeCONNECT-led business processes streamline your business workflow and help you expand customer and employee satisfaction amplifying revenue numbers and growth.

Save Time and Effort

Seamlessly connect business-critical applications and save huge amount of time and effort by automating business processes

Boost Productivity

Eliminate the need for manual data entry, resulting reduced risk of errors, increased productivity, quality and a happier workforce

Maximize Growth

Streamlined business processes lets you focus on what matters the most: increasing customer satisfaction, revenue, growth!

What our customers say...

Without APPSeCONNECT, I don't think we could have grown our website to where it is now. In terms of what is out there in the market, it is the cheapest option that would deliver a reliable service.

Erika Weihmayer
Prana Biovegan

The product is easy to work with. Through out the process, APPSeCONNECT was very accommodating of our specific requests.

Victoria Schweistein
Lumondi Inc
